## TRADE AND TRAFFIC ON THE TRENT, 1850-1970

Photograph of a table and a description of a narrow boat

### Narrow Boat Gauging Book

- A separate book was produced for narrow boats with possibly only one copy left in existence
- Commodities most commonly being carried included coal, lead, lime, manufactured goods, limestone and slates
- These records relate to narrow boats working on the Trent between 1801-1808
